

## SUPPLEMENT NO. CGG-GOM-002

This Supplement No. CGG-GOM-002 ("Supplement"), effective August 27, 2018, is made between Fieldwood Energy LLC ("Licensee") and **CGG Services (U.S.) Inc.** ("CGG"). Upon execution by the parties hereto, this Supplement will become a part of and subject to the terms of the Master Geophysical Data-Use License ("License") between CGG Services (U.S.) Inc. and Fieldwood Energy LLC dated June 27, 2014. Unless stated otherwise, capitalized terms used herein have the same meaning as specified in the License.

### ARTICLE 1 – THE DATA AND DELIVERY

1.01 Licensee selects to license approximately 791.38 square kilometers (approximately 34 OCS blocks) of Navigation Merged Field Data from CGG's MPVK I-IV survey (the "Licensed Data") located in the Gulf of Mexico, and CGG hereby grants Licensee a license to the Licensed Data referenced in this article 1.01. Exhibit "A", attached hereto and made a part of this Supplement, consists of one map showing the location and pattern for the survey and listing the coordinate points for the area selected by Licensee. CGG will not provide any products in this article 1.01 to Licensee for the area selected. However, Licensee may request delivery of the Navigation Merged Field Data in this article 1.01 at a later date for a charge of \$82,500.00.

1.02 Licensee selects to license approximately 93.67 square kilometers (approximately 4 OCS blocks) of Migration data from CGG's MPVK I-IV survey (also, the "Licensed Data") located in the Gulf of Mexico, and CGG hereby grants Licensee a license to the Licensed Data referenced in this article 1.02. Exhibit "A", attached hereto and made a part of this Supplement, consists of one map showing the location and pattern for the survey and listing the coordinate points for the area selected by Licensee. CGG will provide the following product to Licensee for the area selected on USB disk:

(a) Conventional Migration

1.03 Licensee selects to license approximately 791.38 square kilometers (approximately 34 OCS blocks) of Pre-Stack Time Migration data from CGG's MPVK Reprocessing survey (also, the "Licensed Data")

located in the Gulf of Mexico, and CGG hereby grants Licensee a license to the Licensed Data referenced in this article 1.03. Exhibit "B", attached hereto and made a part of this Supplement, consists of one map showing the location and pattern for the survey and listing the coordinate points for the area selected by Licensee. CGG will provide the following products to Licensee for the area selected on USB disk:

- (a) Final Kirchhoff Pre-Stack Time Migration Stack (Filtered)
- (b) Final Kirchhoff Pre-Stack Time Migration Stack (Raw)
- (c) Final Velocity Model
- (d) Final Kirchhoff Pre-Stack Time Migration Gathers – Raw (with RMO)
- (e) Processing Report

1.04 CGG shall deliver the Licensed Data in articles 1.02 and 1.03 to Licensee as soon as possible upon execution of this Supplement, addressed as follows:
